From Dauntless Wiki Last Update: 2019/8/27 23:37 Check out this dauntless guide on the weaknesses of the Behemoth - Gnasher. Find out useful skills to counter his attacks and how to beat, interrupt, and boop the Behemoth! Check Out All Behemoth Battles List! Type 13 weakness – Heroic Gnasher Level 1 – Smaller Gnasher 3 – Ragetail Gnasher 13 – Heroic Gnasher A Neutral Behemoth, The Gnasher is the first one you will present in your hunt. It makes its main attacks in its heart and can inflict injury status on you if you are not careful. Ragetail Gnasher has already shockwaves one major difference between Gnasher's Ragetail and its normal variants is the addition of the shockwave of its attacks, particularly the Forward Tail Slam and Stomps before going bad. Heroic isn't that much different Gnasher in Heroic Ragetail no different compared to the Ragetail variant. It makes deals much more damage and it's a lot harder though. The Gnasher is a Neutral Behemoth and has no elementary strengths or weaknesses. It's best to carry your most powerful and efficient burden in the game to undo it quickly. Fitted without peak to reduce the injured status Ragetail Gnasher can inflict the wound status upon you if you get hit by its tail. This causes you to take increased damage when you run out of force. For the duration of this status effect, equip the Sanless Perk. Gnasher's powerful heart sway & attack that can deal with major damage to Slayers, if not careful. These can be counteracted by dodging backward, away from the swing. Forward Tail Slam Gnasher's body is thrown forward to slim his heart on the ground. You can fedge horizontally to avoid taking damage. Furious multiple Tail Slams when madman when the Gnasher is bad, he will make a series of slams that one after the other. This can hurt so much so moving backward because Gnasher's turn as he makes his heart slams. Cut off tail off to stop his Tail Tail attack to stop Gnasher's passing from making his heart attack, his attacks and target his tail to first cut it off. This will remove the heart attacks from its move list. Ragetail Gnasher has powerful moves & injuries attack Do shockwaves and Stomps & Tail Slams when Ragetail Gnasher stps on the ground or stroke point his tail or body, he'll send Rogue in direction for adom slayer. You can avoid this by deemed horizontally, away from the shockwave. Balancing tail can cause injury status effects if you get hit by a ragetail Gnasher's heart, you will get inflicted with the wound status effect. Heal up quickly or stay still for 4 seconds or you'll get serious damage if you lose all your strength. Gnasher is boopable while her figures slide both versions of Gnasher's can be supported or cut when she slipped forward with her insisting. Aim for the face interrupting this movement. Check out All Behemoth Battle Guide & TipsCheck Tips Out Beginner & Guide here Behemoth Breakparts are an essential part to craft new gear for the Dauntless breakparks and some breakparks are more difficult to find than others. When fighting a Behemoth, you will use a series of weapons on its various body parts in order to break a valid piece of loo. There are usually a few Breakparts per Behemoth and it might take you a try some until you get them all released. In this guide, we'll look at a different Behemoths and what the Drop Breakparts help you cross the Best Gear. You can also check our guide on where to find Orbs, how to get Arcstones and where to find the various Scales.Si you managed to break a threat level 8 or higher Behemoth's Neutral Parts in the first two minutes of a fight, there's a chance you'll find a gem Skull, Tail Gem or Claw Gem Also. To find an Elementary Tail Gem, the same rules apply except you'll need to be hunting a Elemental Behemoth as opposed to a net one. Dauntless: Behemoth BreakpartsBreakparts have different reports, from Rare Commons. To increase your chances, join a high-level departure and equip The Best Gear to combat a Behemoth of a type of specific component. It would also be useful to go after Behemoth's most difficult Behemoth as soon as you log in, as well as join heroic hunting. These Breakparts are most searching after so far, so here's what Behemoths you can source them from. You'll need to blow a body off the behemoth, head, horn, leg and tail to get those parts, so try and coordinate your vagina to attack from different places. Valomyr Subscribe to the VG247 Newsletter Get all the best bits of VG247 delivered to your inbox every Friday! The Valomyr can be found in Maelstrom in the fifth dauntless area. It's a Radiant Behemoth, so your best bet is to equip Gear for Umbral in order to defeat it. It has several drops of its body, including: Valomyr Hide Apocalypse Horn Protean Fang Radiant Dewclaw Unstable Tailspike You'll want at least 300% power before facing the Valomyr, so don't worry if you're no longer there. Without Fire EmbermaneTheThe Embermane is one of the first Behemoths you'll meet at Dauntless, but it also has a daunting variety. His weakness is frost, obviously, so equipped whatever frost weapon you have before joining a Hunt.Slaying an Ambulance without netting you: Smoldering Sanlhide Bloodsoul Shard Hooktooth Declaw Declaw Tailspike to get the Shard Bloodsoul, you'll need to join a heroic hunt with the blood Smoldering blood is a rare drop. Dreadfrost Borethis Behemoth controls little minions that can overwhelming your vagina quite easily, So equip Blaze Gear to and get ready to join another Heroic HuntSlaying a Dreadfrost Boreus gets you: Psionic Scale Dreadfrost Shard Fragment Horn Fragment Hoof Hindscale You will also get Boreus Hide to attack his body. Moonnaver ShrikeThis is another heroic hunting behemoth that's in Neutral, so equipped gear for the highest you can before starting this hunt. It's got quite a lot of debtor in various periods, which are equipment because it's a misleading tough challenge. Pristine Moonfeather Pristine Moonbeak Perfect Moonbeak Pristine Moonmantle Perfect Moontle Pristine Reaverdown Perfect Reaverdown You Can Interrupt Its Sliding Attacks If You're Lucky Enough, Which could increase your chances of a rare drop. NayzagaWe's shockjaw is heading back to the Maelstrom for this year's Behemoth, and it's another heroic hunt to boot. Again, this Behemoth can release quite a few articles, so here's what to watch out for: Loaded Shockjaw Hide Conductive Spine Greater Sparklaw Sparklaw Sparking Claw Charged Tailspike Sparking Tailspike Team Terra Gear to kill this animal with ease. Deadeye Quillshotthis Neutral Behemoth can also get into the Maelstrom and it can be drying out your vagina in one shot if you're not careful. It's another heroic hunt, so be prepared for one of the hardest battles yet to get your debtors. Deadeye Spinehide Flawless Spinehide Ferocious Snout Perfect Tusk Die Deadeye Razorquill Spiklate Perfect Dewes Case Heavy Tailspike Perfect Tailspike StormclawThis Behemoth Can Be Found in the Uncharted Rive and Is Weak in Tera Gun. Be careful with trauma barriers that can separate you from the rest of your part when hunting the Storm. Stormclaw Hide Magnetoth Glinttooth Static Hide Voltscale Volnk Volthoof Capacitail Loaded Tail Koshaie Koshai is a Terra Behemoth that can root you in place and inflict a lot of damage using vines and twists. It's weak gear to shock and has a heroic threat level, so make sure to keep moving when you decide to face it.
